

1460/2015

Government Decree

On studies supplementing higher education studies completed abroad

In accordance with the decision of the Government, the following is enacted pursuant to section 5(1) of the Act on Eligibility for Public Posts Provided by Higher Education Studies Completed Abroad (1385/2015):

Section 1

Supplementing studies

In a recognition decision made pursuant to the Act on Eligibility for Public Posts Provided by Higher Education Studies Completed Abroad (1385/2015) section 6, supplementing higher education studies to be completed in Finland may be required:

1) at most one third of the total extent of the higher education studies leading to the degree, when the higher education degree completed abroad is recognised as comparable to a certain Finnish higher education degree;

2) at most one half of the total extent of a study module completed in Finland, when the higher education study module completed abroad is recognised as comparable to a certain study module completed at a Finnish higher education institution.

Section 2

Entry into force

This Decree enters into force on 1 January 2016.

In Helsinki on 10 January 2015
